Just For Families

Every week, hundreds of people from all ages take part in the sport of

TENPIN BOWLING

All compete on an even playing field due to every bowler using an adjusted score. This ensures each bowler has an adjusted handicap score depending upon their ability. Each of our weekly sessions are supervised by our staff, who offer coaching tips and pointers whilst bowling and give support to all.

We offer free coaching - this is where we give instruction on the fundamentals of Tenpin Bowling.

At the end of each season, trophies are awarded to participants at a fun day wind-up.

Balls and shoes are provided for you—or you may wish to purchase your own in our Pro—shop

Remember—bring your own socks!
